What's Included

EY's *Guide to Preparing 2022 Personal Tax Returns* includes a summary of what's new for the 2022 taxation year, as well as tips, suggestions and reminders to consider when preparing 2022 personal tax returns.

Preparing personal tax returns is easier with:	
Personal tax calendar	Highlights key deadlines and due dates for the upcoming taxation year, along with related planning considerations
Filing tips for 2022 personal tax returns	A list of practical suggestions and reminders to consider when preparing 2022 personal tax returns
Commentary written by EY tax professionals	Written in plain language with planning tips and practical examples; commentary for each line indicates whether it applies to residents, non-residents or deemed residents, as well as what's new for the 2022 taxation year (including new budget measures and proposed legislation)
Annotations knowledge map	More than 50,000 cross-references to: <ul style="list-style-type: none"> • cases • CRA forms, guides and pamphlets • CRA rulings and interpretations • interpretation bulletins and income tax folios • information circulars • legislative references • reference tables • related T1 lines
Quebec content	Includes highlights of the main differences between the federal and Quebec tax systems, as well as the Quebec TP-1 return, schedules, and work chart, the Quebec Guide to the Income Tax Return, and concordance links between related TP-1 and T1 lines.
Reference tables	Annual contribution limits for RPPs, RRSPs, DPSPs and TFSAs; CCA rates; foreign exchange rates; medical expenses; penalties and offences; prescribed interest rates; provincial rate cards; topical listing of CRA rulings and interpretations on the tax on split income rules; treaty withholding tax rates
